《觀世音菩薩感應靈課》 之由來

《觀世音菩薩感應靈課》相傳為唐代玄奘大師赴西天取經途中遇觀世音菩薩慈悲攝受，令其預知前途禍福吉凶而傳，今傳世之本乃據明萬曆二十年（1592年）之影印本排印。

大明中宮皇后，每齋沐焚香，捧誦《觀音靈課》，時為社稷卜歲豐，祈太平，屢屢感應。明萬曆壬辰年春正月十五日，大明中宮皇后下旨京都《衍法寺》刻印流通，印施百卷，以便臣民決疑，今預趨吉避凶，闡明法寶，慈澤後人。此為《觀世音菩薩感應靈課》之由來。

印光大師虔求《觀音靈課》 之事實

清光緒七年（1881年），淨土宗第十三代祖師印光大師年二十歲時，趨南五臺山蓮花洞寺拜道純和尚為師，剃髮出家。出家不久，遭兄長遣回家嚴加看管近三月許。

一日，大哥因事外出，二哥勞作於輾穀場，大師虔心占求《觀世音菩薩感應靈課》，得¹高明居祿位，籠禽得放生²之兆，便知出行時至，於是趁機潛回寺院。依此印光大師虔求《觀音靈課》之事實，可知求《觀世音菩薩感應靈課》決疑實符佛教本義，非迷信占卜可比。

The Origin of The Guanyin Oracle

Legend has it that Dharma Master Xuanzang of the Tang Dynasty was graciously received by Guanyin Bodhisattva on his way to the West to study texts and scriptures. Guanyin bestowed this oracle to him to help him predict the future, good fortune, and bad luck. A version of this oracle has been handed down that is based on a copy from the 20th year of the Wanli Emperor in the Ming Dynasty (1592) and it is called The Guanyin Oracle.

The Empress of the Ming Dynasty would burn incense and recite sutras every time she fasted. On January 15, 1591 she decreed that the Yanfa Temple in Kyoto would print and circulate The Guanyin Oracle. A hundred volumes were printed so that her subjects could clear their doubts, seek good luck, and avoid misfortune. This is the origin of The Guanyin Oracle.

The Story of Master Yinguang

In the seventh year of Emperor Guangxu in the Qing Dynasty (1881), Master Yinguang, the thirteenth founder of the Pure Land Sect, was twenty years old. At this time, he went to the Lotus Cave Temple in Southern Wutai Mountain to become a disciple under a monk called Daochun. Not long after he became a monk, he was sent home by his eldest brother, who forbade him from returning to the monastery and guarded him for nearly three months.

One day, when the eldest brother was out of the house and the second brother was busy working, Master Yinguang devoutly asked The Guanyin Oracle for his fortune. His oracle read, "Now is the time to use your luck, and release the caged bird." Upon reading this, Master Yinguang knew it was time to go back, and left home. His oracle came true and he successfully returned to the monastery. Therefore, we should not falsely consider this Dharma-door to be mere superstition.

印光大師：推薦用 《觀世音菩薩感應靈課》占卜

印光大師云：「觀音感應靈課，俯順世情，令荀休咎，以期同種善根之妙方便也。」故凡欲占卜決疑者，皆須恭敬稱念「南無（讀「拿摩」）觀世音菩薩」聖號。稱聖號者，種無量善根，得無量福德。觀世音菩薩大慈大悲，有求必應，可為虔誠祈禱者決定重大疑困難目。

觀世音菩薩成人之美，不成人之惡。遇此課本者，若能諸惡未作，眾善奉行，冥冥之中，自得菩薩護佑，一切順遂。

我等有感於觀世音菩薩廣大靈感和慈悲精神，謹依原本，具體校勘，印製流通。望有幸得到此課本者，祈願大眾見聞隨喜，善根增長，常念「南無觀世音菩薩」，消災免難，風調雨順，國泰民安，萬事順遂，是為至禱。

Recommendation for Oracle Reading

Master Yinguang said, "Guanyin has bestowed the oracle to the world so that all can benefit from the power of limitless foresight". All those who are tormented by indecision or fears should consult the oracle. Guanyin is kind and merciful and can answer or help us make decisions by clearing doubts through a devout reading.

Guanyin helps to realize beauty, not evil. Those who seek the blessings of the Bodhisattva to do good will receive it and all of their endeavors will be successful. However, those who ask the Bodhisattva to help them accomplish evil plans will instead have their plans ruined.

We are deeply touched by Guanyin Bodhisattva's vast inspiration and compassionate spirit, and hope that those who are fortunate enough to obtain The Guanyin Oracle will be respectful and devout. If you recite 'Namo Guanyin Bodhisattva' then disasters will be avoided, the weather will be good, the community will be prosperous, people will be safe, and everything will go smoothly. This is the ultimate prayer.

印光大師 --- 《觀音感應靈課石印流通序》

觀世音菩薩，潛念眾生之心，不可以言語形容。雖天地父母，未足喻其少分善根未種未熟未脫者，令其即種即熟即脫。應以何身得度者，即現何身而為說法。喻如日麗堯天，萬象咸蒙照燭。春回禹甸，百卉悉荷生成。有感即通，無謀不應。良以菩薩無心，以眾生之心為心，故得遍法界感，遍法界應，悉副彼念，了無差殊也。

觀音感應課者，俯順世情，令荀休咎，以期同種善根之妙方便也。凡占者，皆須稱菩薩名。如小兒有病，不肯服藥，塗藥於乳，則不服而服矣。菩薩名號，如返魂香，若得見聞，宿業自消，宿善自生，以漸至於上追觀音之志事，究竟自利利他於無既也。茲因徐積余居士，與其夫人，得前明古本，石印千卷，以結淨緣，略敘菩薩行慈之意雲。

Forward by Master Yingguang

The benevolence that Guanyin Bodhisattva harbors for all sentient beings is indescribably great. To those with scant or unripe roots of virtue, the Bodhisattva can help them accrue merits and amass causes for future enlightenment. To those who are able to achieve liberation in their present life, the Bodhisattva can manifest and speak Dharma to them. Those from all different inclinations, forms, fortunes, and faiths may receive the bounty of the Bodhisattva's eternal spring. Whenever sentient beings yearn, the Bodhisattva responds. Guanyin has a heart that is one with all sentient beings and is without selfishness.

The Bodhisattva, responding to the wishes of the people, gifted The Guanyin Oracle to the world. This wonderful Dharma-door simultaneously acts as a popular method of divination and as means to accrue merits. Guanyin's name is like the legendary Hangan-kō incense; anyone who takes it in will not only have their bad karma eradicated, but will also have their merits manifested instantly. Those who promote this oracle benefit both themselves and the public.

《觀世音菩薩感應靈課》

占卜方法

根據以下步驟虔求觀音：

1. 占者必先淨手誠心，先在觀世音菩薩像前焚香禮拜，用硬幣或銅錢五枚，在香煙上熏過，心中默禱所問之事。口中念道：「紫金化身千百億，白衣妙相三十二。稽首圓通自在尊，沙界咸稱大悲主！南無大慈大悲靈感觀世音菩薩摩訶薩！今有祈禱弟子某，所求某事，未決憂疑，請垂感應！願賜證明！」並至心念誦菩薩名號 108 遍或 1000 遍。
2. 將錢在手中連搖數搖，令其次序散亂，擲下。對照卦象，便知吉凶禍福，成敗興亡。
3. 如何知道所求的卦是否正確，這個一靠自己對觀世音菩薩的信心，二靠自身學習的精進程度。聰明人對比一下不難知道，另外念觀世音菩薩時要念一千遍，若很急的話可適當減少。

Oracle Reading Method

To consult the oracle, do the following:

1. First, wash your hands, and burn incense in front of a statue of Guanyin Bodhisattva. Take five coins and circle them over the burning incense and then contemplate your question or dilemma. Recite the following: "Perfectly enlightened, Lord of Compassion and Mercy. Namo Guanyin Bodhisattva. Today before you is a disciple with unresolved doubts." After contemplating your question, sincerely recite the name Guanyin Bodhisattva 108 or 1,000 times.
2. Shake the coins in your hand then then toss them to the ground. Read the combination of element characters that have fallen and select the matching oracle card.
3. You need to recite Guanyin's name to prove your sincerity. Only sincerity can generate the purity of heart required to produce an accurate reading. The more confidence you have in Guanyin, the more accurate the oracle reading will become. When reciting Guanyin Bodhisattva, you need to recite it a thousand times, but if you are in a hurry you can reduce this number fittingly.

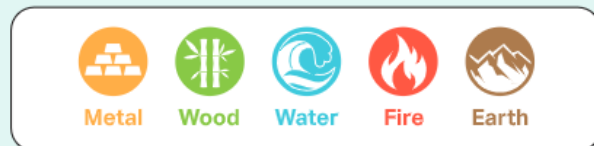

解讀卦象方法

取 5 枚硬幣，將五行貼紙貼在每枚硬幣的一面（任何一面都可以）。五行元素依次排列为金、木、水、火、土。

Reading Instructions

Take 5 coins and stick the five element character stickers onto one side of each coin (any side can be used). The five elements arranged in order are: metal, wood, water, fire, and earth.

按照占卜方法，如搖出金、水、土的硬幣朝上，以下將是出現在卦卡上的卦，請注意元素的順序。找到與卦相匹配的卦卡後，即可翻面閱讀籤詩。

Follow the Oracle Reading Method and find the card that matches the characters on the coins you have thrown. For example, if the element characters for metal, water, earth were facing up then this card would be drawn. Note the order of the elements.
